Young at Heart

Young at Heart is an ongoing group program for clients over the age of 60 years which focuses on improving mental and physical wellbeing. The program is facilitated by a clinical psychologist and includes guest speakers and music, art/craft, exercise and self-care sessions.

Program Provides:

- Connection and social interaction with others
- An opportunity to learn and practice skills for improving physical and mental wellbeing
- Information about planning ahead and meeting your needs
- Looking after your mind and body

Program requirements:

- Identified difficulties with anxiety, depression or another mental health condition
- Willing and able to commit to attending and participating in the program

This program is flexible in nature and can be joined at any time.
